Specialty Shows

Rock is alive and well
at wxdu...but so are
all of these other
fascinating genres!

Jazz

Our station pays homage to jazz greats from Coltrane to Matthew Shipp and beyond. Expect to hear a different direction each show, be it hard bop, Latin flavor, or free jazz. Weekdays 5-8 pm, Sundays 10 am-noon.

Urban

If you're watching our studio's Webcast and see nothing but a blur, an Urban DJ's in the house. Old-school classics spin alongside the best & newest hip-hop releases, mixed with live scratching, sampling & freestyling. Late nights.

Local

Ross Grady crams the best past & present local music into his show...sometimes literally, when eight rockers jam elbow-to-elbow in the teeny lounge! Live from the 'XDU Lounge, 3-5 pm Sundays.

Comedy

Begin your Saturday with the uplifting new-age sounds of New Frontiers from 10 am to noon. Then treat yourself to a hearty chuckle during Laugh Tracks. Both shows are hosted by Marty, who custom-edits adult comedy releases like the new George Carlin. Noon to 1 pm.

Youth

Youth Voice Radio offers local teens a forum to share their viewpoints through commentary and music. Hear what the youth of America are REALLY up to...5-6 pm Saturdays.

Blues

Wail til you can't wail no more with Cornfed Red and his blues-lovin' cronies on the Blues Train. Call in to say how much YOU love the blues! Saturdays, 2-5 pm.

Collage

Our collage shows, Triskadekaphobia (fear of the number 13) and the Collective Media Project (CMP), challenge everything you think you know about music. Hear found sounds, tape loops, digital effects, and everything all at once. See how beauty and chaos can coexist! CMP, 10 pm-midnight on Tuesdays; TKDF, 10-midnight on Thursdays.

Roots

Celebrate traditional and roots music on Sundays first from 10 am to noon with Mark T., then from noon to 3 pm on Steve's Topsoil show. Dave's Bull City Cosmic Hoedown livens up your Sunday night with country, blues, folk, and cajun from 7-10 pm, and Rick takes over with more sounds of Americana at 10 pm.

World

Travel with Tim to Africa, Cuba, Indonesia...even Tuva! A multitude of cultures, sounds, and textures abound on Worldbeat, 5-7 p.m. Sundays.

???

Surrender to the allure of the unknown on the Mystery Show. A different DJ explores a different theme every Saturday from 1-2 pm. We welcome your suggestions for future Mystery Shows!
